Cromford Church, Bridge and Rocks. Cromford has a picturesque ivy-covered church and a bridge of three arches which are round on one side and pointed on the other, but its peculiar features of interest are the Black Rocks or Stonnils, whence we have the best view of Matlock Bath from the south, and the course of the Derwent river above and below it.

Dear Mother & Sister.
just a line to let you know
I arrived safely about 3.30
enjoying myself immense
I have been made so
welcome I think Sheffield
is a place like Man
Chester. I was glad when
I arrived I was so tired
of
